YEAR 6

SATS WEEK

Monday 13th May—Thursday 16th May

MATHS

- This half term, we will continue to practise our times tables and our mental arithmetic. We will also develop our understanding of maths through the use of equipment, pictures and problem solving. We will be revising all areas of maths this half term.

ENGLISH

This half term we will be revising grammar, spelling, vocabulary and punctuation skills.

COMPUTING

We will be learning how to become app developers.

PSHE

We will be learning about how to maintain healthy relationships.

FRENCH

We will be learning how to talk about seasons in French.

RE

We will be learning about the Islamic festival of Lailat al Miraj.

@PrincethorpeJun

Summer 1—Science

Who do you think you are? Let's discover what makes you...you! From your fingerprints to your DNA, everything is unique to you. Explore the world of human identity and how our unique features can be used to tell us apart from others or help to solve a crime. And remember to love being you! Why? Because there's only one you: you're one of a kind!

PE

6W Monday (Outdoors)

6CH Thursday (Indoors)

6W Wednesday (Indoors)

6CH Tuesday (Outdoors)

PPA

Mrs. Morris will teach each class for half a day each week.

During our reading lessons we will be revising how to:

Understand new vocabulary;

Infer character's thoughts, feelings and motives;

Predict what might happen nextl

Explain the meaning within the text;

Retrieve information;

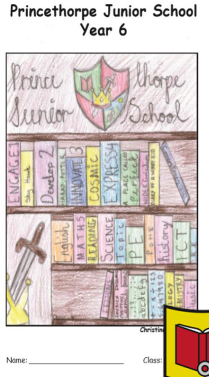
Summarise what we have read.

Please listen to children read for **at least 10 minutes each night** and sign their planners.

Maths homework:

Out: Friday

In: Wednesday



Being the best that we can be in a safe, happy and successful learning environment.
