"Where Childhood Matters"

Dormice and Field mice Newsletter, Week Ending: 26.4.19

Dear Parents/ Guardians,

Welcome back, we hope that you all enjoyed the Easter bank holiday break. As the week began with St George's Day we have enjoyed a week of Knights, Princesses and Dragons. The children talked about what it means to be English and we looked at the English flag. Many children made shields that included the red cross.

We had a really fantastic topic launch day. All of the children looked amazing in their traditional tale outfits and this started the day off on a magical note. Some of the activities included making ginger bread people, Cinderella drama and role play, Cinderella ball waltz, making the 3 pigs houses, magic bean story-telling, tree identification, scavenger colour matching and crown making. The children thoroughly enjoyed the activities which we hope will support their story telling (and writing) this term.

Things to note:

- As the weather will now start to improve please could you ensure that your child has their water bottle and a named sun hat at school. Please could you also apply long acting sun cream before coming to school if the day promises to be hot. We recommend that all children have a **named** bottle of sun cream at school (roll on preferably) which they are able to apply themselves. We encourage children to be outside and will be involved in a number of outdoor activities throughout the Summer Term.

If you would like to look at your child's Learning Journey then please do pop in after school. This is also a good time to speak to us if you have a concern.

Thank you,

Mrs Sizer, Miss Searby, Mrs Pierrepont and Mrs Stinson.
