

Foundation Stage Planning Summer 1

RE

Our topic is Pentecost. We will be thinking about good news and learning how Jesus sent God's Holy Spirit to his friends.

We will be thinking about how Jesus's friends felt and trying some freeze frames.

PE

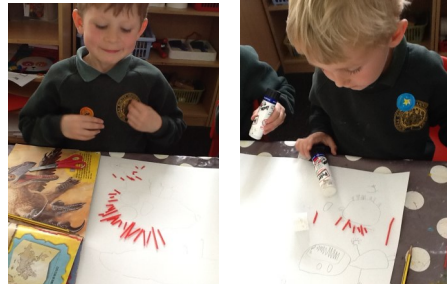

This term we will be taught dance by a professional dance teacher.

We will also practise for sports day.

In Foundation Stage, the learning is child led, so the topics we learn about are wholly dictated by the children's interests.

We have already enjoyed a visit to the library this term and are looking forward to our next trip out.

Currently, the children are finding out about dinosaurs:

Using a non-fiction book to create a dinosaur picture together

Building a dinosaur trap

Who knows where the children's ideas will take us next!

Keep up to date on the school Twitter feed.

Phonics

We will learn vowel digraphs and practice blending these to read words. We will read longer books and write sentences.

Maths

We will continue to add and subtract within 20 .

We will be learning number pairs to 10.

We will count in 2s, 5s and 10s.
