Wednesday 1st May 2019

Dear Parents and Carers,

Reception Ground Force Challenge ☺

Our ***Dig and Doughnut*** event is due to take place next week, ***Thursday 9th May 3:45-5:15.*** Thank you so much to everyone who has already shown an interest donating pallets and other materials. If you have resources you would like to donate you can bring them with you on the day of the event, or drop them off either before or after school.

We have also enjoyed seeing your designs and ideas for the area. If you have not submitted a design yet, but were still wanting to, please return it by ***Friday 3rd May.***

There will be some tools available at school, but if you would like to bring your own gardening equipment that would be appreciated, we can provide labels if required. There will be a sign up sheet for different projects on the evening such as weeding, planting or helping Mr Morris to construct our pallet den.

We look forward to seeing you there and creating a fantastic, stimulating environment for all the children to enjoy.

Yours sincerely,

Miss R.Williams
