

**Jesus you are bread for us**

***Chorus***

***Jesus you are bread for us,  
Jesus you are life for us.  
In your gift of Eucharist,  
We find love.***

When we feel we need a friend, you are there with us,  
Jesus, thank you for the friend you are.  
Thank you for the love we share.

**Chorus**

In Communion we believe you are there with us,  
Jesus, thank you for the friend you are.  
Thank you for the love we share.

**Chorus**

Gathered in God's family, you are there with us,  
Jesus , thank you for the friend you are.  
Thank you for the love we share.

**Chorus**

When we help our families, you are there with us,  
Jesus, thank you for the friend you are.  
Thank you for the love we share.

**Chorus**
