

MISSION STATEMENT

We recognise that everything which takes place in Holy Family School has God as its centre.

We aim to create a setting in which pupils, staff and parents may grow spiritually, morally, socially, culturally and intellectually.

This is to be achieved:

Is to love and care for

By the school working in partnership with parents in the education of their children in accordance with the teachings of the Catholic Church; Through the prayer and faith of the pupils, staff, families and parish community;

By a dedicated and committed staff striving to provide the highest standards of education

each other as Jesus

The following basic Christian principles underlie the school's purpose:

taught us.

All human beings are of equal value in the eyes of God and should command mutual respect in thought, word and deed.

An individual's talents should be given every possible opportunity to be developed and shared.

Christian charity and fairness to one another should be reflected in the actions of all members of the school community.
