

Welcome to Year 1/2 at St. George's.

Class teacher: Mrs White

Teaching Assistants: Mr Bullen, Mrs Caw, Mrs Price and Miss Welburn.

### **Summer Curriculum**

This term our topic is called Explorers; we are going to be focusing on Captain Cook, Phileas Fogg and Neil Armstrong. In History we are focusing on how travelling and exploring has changed over the years and how these key people changed our world. In Geography, we will look at the locations to where these key people visited and discuss the similarities and differences.

In Art/DT we are making boat art, space collages and papier Mache hot air balloons.

In literacy we are continuing our work on Peter Pan leading to our own narrative about our adventures in Neverland.

This topic will encompass Science, History, Geography, Art and DT.

### **Phonics**

We will be following the RWI rhymes to support phonics with actions.

<https://www.phonicsplay.co.uk/>

<https://www.topmarks.co.uk/english-games/5-7-years/letters-and-sounds>

The buried treasure game supports children with similar examples to what they will be given during their phonics assessment.

Phonic screening tests will be administered in June.

### **Reading**

Children will read regularly in school in both guided reading and 1:1 sessions. We ask that children read three times a week at home and books are brought to school daily. Books will be changed when your child is reading the book with fluency and understands the story.

### **Maths**

This term we will be focusing on reasoning skills; so children can apply their arithmetic skills to apply to problems.

Additionally, we will be continuing work on telling the time to 5 minute intervals.

PE

Our PE days will be Wednesday and Thursday. For PE children will need shorts, house coloured t-shirt, pumps and some outdoor trainers.

I cannot wait to see you all grow and develop over the year.

Mrs White
