Dear Parents and Carers,

Welcome to the summer term!

Thank you for your generous donations for the Easter Bake off, it raised £428.88. This will be used to buy musical instruments for the children. Thank you very much.

A massive thank you and congratulations for running a very hilly half marathon raising money for Markland Hill School goes to Mrs Pike, Mrs Colvin and Mrs Kramer. We really appreciate your significant efforts and thank you to those who sponsored the runners. We are thrilled to receive a donation of £643, this will be used to support the further improvement of the school garden. Ground works start tomorrow! It will buy a new shed and raised planters that are suitable for the children. Thank you very much for your help and support.

May Assessments

For your information in May of each year there are very important assessments and tests taking place in school. Some of these are statutory and some are school based. Every child across school from Reception children to Year 6 will be assessed. It is crucial that your child is in school in the run up to this time and during the months of May and June. The end of year report will contain the information from these assessments. Thank you for your continued understanding and support.

Year 6 - SAT's Breakfast Club

We are offering to all year 6 pupils a free breakfast club from Monday 13th May until Thursday 16th May, this will help steady any nerves and prepare for the assessments. Your Year 6 pupil is welcome at school from 8am to enjoy a hearty breakfast with their friends.

Markland Hill School – Garden Party – FRIDAY 5TH JULY – 3.30pm – 6pm.

We will be organising and hosting a Garden Party on Friday 5th July. This is a summer fund raising event that will be specifically linked to raise money for items that would be considered as desirable and would fall outside the school budget. I hope that you will keep the date free and come, support and enjoy this event. More details to follow.

New School Nurse

Our new school nurse is Rebecca Sharples who is available to help regarding any health needs or advice. Please contact her using the following details 01204 463563. Becky has arranged a parent drop in and is available in school on Monday 20th May between 3pm and 4pm.

Walk on Wednesday Walking Bus - Parking and Traffic around school

After an excellent response to our '*March to School in March*' School Council are very excited to announce our '*Walk on Wednesdays Walking Bus*'.

After the reading through the feedback from parents, School Council, Governors and staff have decided to help families who struggled to be able to walk to school due to work commitments.

Every Wednesday, parents will have the opportunity to meet with staff members on the corner of Markland Hill and Victoria Road (near the Tennis Club) with their children. They will need to register with the staff and then be able to leave them in their supervision. Staff will walk all the children up to school together, '**The Walking Bus!**'

Every child who walks to school will receive a sticker and a House Point.

This great opportunity will begin on Wednesday 5th June.

Thank you for your continued support.

Yours sincerely
School Council and Mrs Lowe (SMSC/RE Lead)

Sports Days

We will be hosting a Reception Class, KS1, Lower KS2 and Upper KS2 sports events, weather and surface permitting. Parents and carers are welcome to join us. The sports events take place on the grass and parents are welcome to bring a chair or rug to sit on to make the event more comfortable. The children will sit together on the grass facing the parents, who will assemble on the ball park side of the grass. Please see the dates and reserve dates for these events in the section below. If the weather is poor we endeavour to make a decision at 12 noon the day before the event so we can inform parents, this will be done by text message.

We have moved some of the sports days to the first half of the term, so please note the dates.

Ramadan and Fasting

At Markland Hill CP School we recognise that Ramadan is an important and special time for many families. Fasting for religious observance is a private matter between a person and his or her God. Whilst we recognise that fasting is not compulsory before the age of puberty in Islam, we are aware that children are sometimes encouraged to fast, or indeed wish to fast.

In 2013, Ramadan, exams and SAT's all fall within the same period. Primary school assessment periods and SAT's take place in May with KS2 SAT's between 14th and 16th May. The situation where Ramadan coincides with exams and tests is likely to continue until 2019-20. With this in mind I politely ask parents to consider their own child or children at this demanding time and follow the Ramadan and Fasting Statement of Practice available on the school web-site.

We recognise that this is only one aspect of observance during Ramadan and children can show their commitment in a variety of ways such as trying not to argue, discuss others in a negative way or to become angry with others. Parents may also consider encouraging a range of ways that children of this age could begin practising the observance of fasting; for example, by fasting for part of the day or during the week-end when activities are not so demanding.

It is important to understand that, as a school, we have a duty of care towards the children's wellbeing. We also have an obligation to make sure all children participate fully in the curriculum and progress with their learning throughout the year. We believe that if a child of primary school age is not drinking water, they are at risk of not being able to participate fully during a long summer day. This is a situation we face in the United Kingdom when Ramadan falls during the Summer Term. It is also important for parents to know that children sometimes feel pressurised by other children to fast and that, as they are very young, this can become competitive.

We do not encourage children at primary school age to fast; this is particularly the case for younger pupils. We will therefore only allow children in Upper Key Stage 2 (Years 5 and 6) to fast. Parents of children who wish them to fast in these year groups must follow the procedures outlined in this Statement of Practice, available on the school web-site.

Thank you for your consideration.

Severe Nut Allergy

I would like to kindly request that all parents who provide packed lunches, snacks or birthday treats are aware that we have children in school with a severe allergy to nuts. These include pine nuts, peanut butter, even Nutella, as well as any types of nut. This is so severe that the staff have all received essential training in the use of Epipens/Jext Pens. This would provide lifesaving adrenalin should it be needed. I hope you will take this into consideration and help maintain school as a nut free zone.

I hope we can continue to work together to secure the very best outcomes for every child at Markland Hill School. If you have any queries please do not hesitate to contact me.

Yours sincerely

Attendance facts for Parents and Carers

All pupils are expected to reach attendance levels of **97%** and above to be able to access and achieve their potential at school.

Pupils only attend school for 190 days per academic year which means that for the other 175 days they are at home with you.

Persistent absence from school will be investigated by the Early Intervention Team and fines could be implemented for each child to each parent.

The percentages below will help you understand our expectations of attendance:

97% and above Excellent attendance

95% - 97% Good attendance

90% - 95% be aware

80%-90% causing concern – very worrying – less chance of success

Less than 80% serious – referred to Early Intervention Team

What about absence?

Please contact school on the first day of absence before 9am to explain the reason for absence. Any absence for an unacceptable or unexplained reason will **not** be authorised and will appear on your child's report.

Why does coming to school every day matter?

If you don't come to school regularly:

- ✓ You might feel a bit left out
- ✓ You may not know how to do the work
- ✓ You may get left behind
- ✓ You may have to make friends again

Coming to school every day is important because it helps:

- ✓ To get the best out of education offered in our school
- ✓ To feel part of the school family
- ✓ To make and keep good friendships

This means

- Half day absent – 3 lessons missed
- 1 day absent- 5 lessons missed
- 3 days absent – 15 lessons missed
- 1 week – 25 lessons missed
- 2 weeks absent – 50 lessons missed

Term –time holiday

Headteachers may **not grant any leave of absence during term time** unless there are exceptional circumstances. Headteachers should also determine the number of school days a child can be away from school if the leave is granted.

In conclusion this means since September 2013 Head Teachers have not been allowed to authorise holidays in term time. If in exceptional circumstances a child requires time off school this must be discussed with the Headteacher **before** being taken.
