

## Sports and Physical Education Impact Report Spring Term 2018 - 2019

Over the last few terms the focus of both the staff and children has been to teach and learn PE through the new sporting programme 'Real PE'. This has been a focus over the last two terms, to begin to introduce the children to the programme quickly so it has maximum impact in the learning and development of skills for the children and ensure we are using the programme to its fullest.

### Real PE Resource

Real PE is a unique, child-centred approach. It transforms how we teach PE to engage and challenge every child in primary school. It focuses on the fundamental movement skills of a child's physical development: Agility, Balance and Coordination.

Real PE develops the whole child, each term there is a multi-ability focus: Personal, Social, Cognitive, Creative, Physical, Health and Fitness.

The children have thoroughly enjoyed the introduction to Real PE. They continue to ask to play and learn the new games that use the basic skills taught through Real PE. These skills have been applied to games lessons and the general fitness seems to be on the rise and pupil engagement is high. Children enjoy the 'My Personal Best' aspect from real PE and love to challenge themselves. Due to games and tactic building being a focus in Real PE we have seen a big improvement in classes working collectively. KS1 and EYFS staff will be taking part in a CPD opportunity in September so they can also start to teach using Real PE.

### After-school Clubs

Participation in After School Sports Clubs Term 1 and 2													
Year Group	Pupils on roll	No and % participating in at least one club		No and % of Girls		No and % of Boys		No and % of Pupil Premium		No and % of Service Pupils		No and % of SEN Pupils	
1	60	33	55%	9/24	38%	24/36	67%	3/3	100%	6/6	100%	5/5	100%
2	60	38	63%	16/35	46%	22/25	88%	5/7	71%	8/9	89%	8/11	73%
3	59	30	51%	14/26	54%	16/33	48%	4/7	57%	2/2	100%	2/7	29%
4	60	31	52%	11/28	39%	20/32	63%	7/11	64%	4/5	80%	5/7	71%
5	59	31	53%	16/34	47%	15/25	60%	11/17	65%	5/5	100%	11/15	73%
6	55	40	73%	19/26	73%	21/29	72%	7/7	100%	7/7	100%	8/9	89%
KS1	120	71	59%	25/59	42%	46/61	75%	8/10	80%	14/15	93%	13/16	81%
KS2	233	132	57%	60/114	53%	72/119	61%	29/42	69%	18/19	95%	26/28	93%
Overall	353	203	58%	85/173	49%	118/180	66%	37/52	71%	32/34	94%	39/44	89%

Equally opportunities for all, has always been a focus in sport for St John's. Over the last few years our aim is for 80 - 100% of children to attend an after-school sporting club. We are pleased that through tracking the children's attendance, already 94% of service children have attended an after school club with also 89% of pupils on the SEN register also attending a club. The percentage of boys who have attended a club is moving in the right direction, however, the overall 58% attendance for the whole school is lower than anticipated due to the lack in number of girls attending a club. This will be a focus over the next two terms is to increase and invite more girls, particularly in Key Stage 1, to clubs to boost this number and allow them the St John's sporting opportunities. The number of SEN children in Year 3 that have been to a club is also much lower than in other year groups so this will also be a focus for the next two terms.

### Competitions

So far this spring term we have taken part in 7 competitions, 2 Community events and 2 County finals

U11 Athletics	Year 6	2 <sup>nd</sup>
U11 Boccia	Year 5/6	5 <sup>th</sup>
U11 Netball	Year 5/6	1 <sup>st</sup>
U11 Football Girls	Year 5/6	1 <sup>st</sup>
U11 Football Boys	Year 5/6	1 <sup>st</sup>

U11 Rugby	Year 5/6	1 <sup>st</sup>
U9 Rugby	Year 4	3 <sup>rd</sup>
U11 County Hockey	Year 6	4 <sup>th</sup> in West Oxon
U11 County Netball	Year 6	3 <sup>rd</sup> in West Oxon

The table above demonstrates the success of our competitions. The children have worked hard in both after school clubs and in lessons to work in unity to learn the skills and work together to play as a team. This is evident when looking at our placing in competitions as through little additional practise the children have been able to come together, support each other and work as a team to do well and in many cases win. They continue to demonstrate good sportsman ship shaking hands with the opposing team whether we have won or lost.

This is our most successful year at county level reaching our highest positions yet in Hockey and Netball.

### Festivals

As part of our link with Carterton Community College we continue to attend festivals at the college every term. This past term year 3 had fun at the Multi Skills festival and got to experience lots of sporting activities.

New to this year Chance to Shine Cricket have introduced a KS1 cricket festival to the calendar in which 30 year 2 children enjoyed the opportunity to practice some batting, catching, throwing and bowling techniques. They were also treated to stickers and free water bottles at the end of the session.

Year 3	Multiskills
Year 2	Cricket Festival
<b>Summer Terms</b>	
Year 1	Dance
Year 2	Mini Olympics
Year 5	Sports Day

### Competitions

Participation in Competitions Terms 1, 2, 3 and 4													
Year Group	Pupils on roll	No and % participating in at least one competition		No and % of Girls		No and % of Boys		No and % of Pupil Premium		No and % of Service Pupils		No and % of SEN Pupils	
1	60	-	-	-	-	-	-	-	-	-	-	-	-
2	60	-	-	-	-	-	-	-	-	-	-	-	-
3	59	31	53%	14/26	54%	17/33	52%	7/8	88%	0/2	0%	8/9	89%
4	60	28	47%	12/28	43%	14/32	44%	1/7	14%	3/5	60%	2/11	18%
5	59	30	51%	15/34	44%	15/25	60%	6/15	40%	4/5	80%	7/17	41%
6	55	36	65%	15/26	58%	21/29	72%	7/9	78%	7/7	100%	7/14	50%
KS1	-	-	-	-	-	-	-	-	-	-	-	-	-
KS2	233	125	54%	56/114	49%	67/119	56%	21/39	54%	14/19	74%	24/51	47%

Our aim is to support as many children who attend St John's to have the opportunity to be involved in competitive sport outside the school. This can be daunting to some children and sometimes they may pull out or choose to not attend these competitions. We continue to work with these children to see it as a fun opportunity. Despite this the table above shows we have still continued to offer competitive sport to a range of children. Already 88% of Pupil Premium children in Year 3 have attended a sporting competition and 89% of SEN children in Year 3 have also attended an event. However, our overall percentages across

the board for SEN children in particular who have attended an event is pulled to a lower percentage due to the number of children in Year 4 who have not yet attended an event. In Term 4, some year 4 children had the opportunity to attend the rugby competition but this has been the only event for them so far this year. We are hopeful that will be able to invite more children to the U9 athletics competition in Term 5 which will increase the numbers and percentage not only in Year 4 but overall as well. The above table also shows the number of boys attending events is higher than the number of girls. This is due to the way the partnership open the competitions as it lends itself to more boys competing than girls for example, in rugby, only a maximum of 3 girls are allowed on a team compared to the 5 boys that are allowed on the same team. This has been improved over the last few years but still continues to be an issue.

### Swimming

Every year in KS2 has now swum at Carterton Leisure Centre. We now focus on our extra funded swimming for year 5 and 6. So far 56% can swim 25m competently using a range of strokes and know how to self-rescue however 44% cannot. 26 year 5 children will be swimming next term.

In year 6 of children can swim 25m competently using a range of strokes and know how to self-rescue however 20% of children cannot so 11 children will swim again in term 6.

Participation in Swimming		
Year Group	Children that could swim 25m Competently at the end of their terms swimming	Children that could not swim 25m Competently at the end of their terms swimming
Current Year 6 when Year 5 in 2017/18	59%	41%
Year 6 now 2018/19	80%	20%

The above table shows that at this point last year 59% of children could swim 25m competently using a range of strokes and know how to self-rescue. After extra funded swimming and their swimming term this year they are up to 80% which shows the impact of the extra swimming sessions.

### Health and Fitness Week

We will be holding a Health and Fitness week at the end of summer term 1. Every child across the school will be looking at how to keep and stay healthy. With fun activities and assemblies happening throughout the week, we will then be finishing off the week with our sports day which we are now calling St John's School Games Day.

### Lunchtime

Sports leaders continue to run a variety of sporting activities which are rotated daily to ensure all children get a range of opportunities. With summer approaching we are hoping to get back onto the field and introduce new games such as cricket and golf lunch time clubs.

### Parental Feedback

Parental involvement continues to be a focus for St John's. We always invite parents to support and attend as many events as possible. We have seen numbers of parents who attend the events increase as we invite more children and include more teams to competitions which has been very positive. Parents are always excited to not only watch their children compete but also support the other teams. We continue to welcome parents and encourage them to events.
