Dear Parents/Carers

**Viking Day - Tuesday, 7 May 2019**

This term, your child's topic is called 'Invaders & Raiders'. We will be learning about life in Viking times, traders and explorers, and their houses. We will investigate what it was like to live in this time period. To develop our historical and geographical skills, we shall be exploring different historical sources, including real life artefacts from the Viking times.

To enhance the topic further, we are welcoming the company 'Timezones' into school on Tuesday, 7 May 2019. On this topic filled day, pupils dress up in authentic clothing, handle real life artefacts and learn about the lives of settlers in this period. The activities that the children participate in on this day will then further feed into their learning in the classroom.

The cost to the children for this unique learning experience is £5.00, which has been subsidised by school. Please log into ParentPay to make the £5.00 payment no later than Friday, 10 May 2019.

Yours sincerely
