School Attendance & the Law

Please see the information below regarding the Education Act 1966 Section 44. Here at Lakeside Primary we take attendance very seriously.

School Attendance and the Law

Under Section 44 of the Education Act 1996, parents/carers of a child of compulsory school age are under a legal duty to ensure the regular attendance of that child at the school where he/she is a registered pupil. Failure to discharge this duty may result in the LA prosecuting the parents/carers.

This policy reflects the most up to date legal powers and duties that govern school attendance in accordance with The Education Act 1996 and subsequent regulations and amendments.

☒ **Authorised absence** means that the school has given approval in advance for a pupil of compulsory school age to be absent from school.

☒ **Unauthorised absence** is where a school is not satisfied with the reasons given for the absence.

Authority to decide whether to authorise an absence can only be given by the Headteacher or a person acting in the absence of the Headteacher. This is to agree that there was a legitimate reason for a child not to be in school.
