NEWSLETTER

3rd May 2019

This Week

Simmons (Our new nursery class) have been developing their fine motor skills with dough gym and helping Daisy Duck get ready for a tea party.

Inkpen and Rosen have started their 'rosy glow' morning activities to get them out and about running round the school field. There are some very competitive children doing lots of laps!

Sharratt and Donaldson have started writing a report on owls and are finding out about animal habitats.

Potter and Ahlberg have been planting some seeds as they start their scented garden topic and have also planted some left over salad to see what will happen!

Murphy and Dahl have started their class novel Charlie and the Chocolate Factory and have been inspired to design their own chocolate building.

Morpurgo and Kinney have been investigating the Saxon shore forts trying to find where they were and why. They have also started their class novel How to Train your Dragon.

Herge and Walliams have been learning how to write persuasive texts about healthy eating. In science they designed their own healthy salads. I hope you enjoyed having them for your tea!

Shakespeare and Rowling have been absolutely fantastic and are working really hard to show their best in their upcoming SATs. Thank you to all the parents who are helping out, it is much appreciated by the staff and the children.

The Hive Out of School Club

We have had very green fingers at The Hive this week. We have taken all of the weeds from our garden, laid new compost and planted a lovely selection of herbs – even writing our own labels so everyone can see what we are growing.

We have started to plan what to put in our vegetable patch next week and were all very excited to discover a family of blackbirds have started to nest just outside our door.

We have also enjoyed helping the nursery children settle in, playing snap, completing jigsaws, building sandcastles and using cotton buds to paint cherry blossom trees and spring artwork.

Places are available for the May half term.

Parent Question

Before the Easter Holidays I asked for parent opinions on the following; one of our parents at the Easter Assembly commented that pre-school children should not be allowed to attend. What do you think?

I received no replies so I assume that you are all happy for pre-school children to come to assemblies and events in school.

I am pleased that this is the case as we have done a lot of work opening our nursery and getting pre-school children to become familiar with the school.

I think it is very important that children are introduced to school so when they start it is not a frightening experience for them. After all they are going to be in the school system for a lot of years!

As our nursery provision develops, we hope that for certain events and assemblies we will be able to have them in with the rest of foundation stage and key stage 1.

We do understand that pre-school children can make a noise in assemblies and this can be frustration and if this is the case I would urge parents to take them out until they have quietened.

Date for your Diary

In order to try to give you as much notice as possible regarding events around school, this section will be dates for up-coming events. We may need to change events at times but will try to keep this to a minimum.

School Council Easter Reading Competition

Mr Dunbobbin, our most recent addition to the governors' team, came in to school to judge the design a book cover competition organised by the School Council.

There was a wonderful range of ideas and designs to choose from and it was certainly a difficult decision to make.

All the winners were able to choose a book from a selection kindly donated by Morrisons. If you didn't win thanks for entering and better luck next time!

View from the Classroom Floor

Have you had an amazing week at school this week? We hope so as there are lots of exciting things happening to make school a wonderful place to be!

If you are in Y3, 4 or 5 and you enjoy singing you may be interested in the Big Sing. If you are then sign up with Miss Davies.

This week was Y4s first week at swimming – we hope you all had a good time and will get better and better over the coming weeks.

If you are in Y5 and you're interested in writing something for the newsletter next year then come and meet us on Tuesday and give us some of your amazing ideas and we will try to work with you to put them in the newsletter next week. You will then be ready to fly solo next year when we have left!

Have a great weekend.

Annelise, Katie, Abigail, Laura, Ana, Olivia.

We understand that most other schools have a blanket ban on such things as Jo Bows, non-conventional hairstyles and crazes such as finger spinners, Lego and Match Attax cards etc. We prefer to trust the children, see how these things go and only restrict their use if they become the centre of conflicts or distraction. Do you feel this is too lenient an attitude?
