Friday 3rd May 2019

Dear Parent/Carer

Re: Egyptian Escape Room experience and show case of work.

On **Friday 10th May 2019** we have arranged for a company to come into school to help us kick off our Egyptians topic by participating in a mind boggling, yet enthralling escape room experience, along with completing other Egyptian themed activities.

School have subsidised most of the expense for this, however we are asking for a small contribution of £3 to help towards covering the cost. Where possible please can this be paid using the online system, alternatively the money must be sent into school by **Friday 10th May**. We will not be leaving school, so the arrangements for lunches will be as per any other school day.

In addition to this, we would like to invite you to a show case of the children's work on **Monday 13th May at 2:45pm** in the school hall. As you may be aware, over the holidays children were asked to create a project based around the theme of mountains. The children have produced some outstanding pieces of work and we would like them to have the opportunity to be able to share these with you.

Should you have any queries regarding either the Egyptian experience day or the show case of children's work, please do not hesitate to speak to a member of staff.

Yours sincerely
Mrs Wellings and Mrs McDonald
