Wear Your Sports Kit to School Mufti Day

Wednesday 22nd May

Dear Parents/Carers

Please wear your favourite sports kit and trainers to school for the day on Wednesday 22nd May for a small donation which will be split between Macmillan and Cancer Research UK.

This weekend, Mrs Staddon will be taking part in the Isle of Wight Challenge.

<https://www.isleofwightchallenge.com>

The challenge involves 106km of coastal trails around the island. She will complete the challenge over 2 days, with 52km on the 4th and 5th May. She is raising money for Cancer Research.

.... and in August Mr de Lancy Green is riding 200km with 5,500m of vertical (following the route of the Etape du Tour and stage 21 of the Tour de France 2019) through the French Alps all in the aid of raising money for Macmillan.

If you would also like to donate via their fundraising pages please visit -
