WARLEY PRIMARY SCHOOL

Charging & Remissions Policy

Charging for activities connected with schools

In general, no charge can be made where education is provided wholly or mainly during school hours that are part of the national curriculum. It is therefore not possible to levy a compulsory charge for transport or admission costs for swimming lessons or for visits to museums during school hours.

Voluntary contributions

However, Head Teachers or governing bodies may ask parents for a voluntary contribution towards the cost of:

- any activity which takes place during school hours
- school equipment
- school funds generally

The contribution must be genuinely voluntary, though, and the pupils of the parents who are unable or unwilling to contribute may not be discriminated against. Where there are not enough voluntary contributions to make the activity possible, and there is no way to make up the shortfall, then it must be cancelled.

There is no legal reason why a school should not invite parents/carers to make voluntary contributions towards the cost of providing activities within and outside school hours.

Residential trips

Schools are permitted to charge for the cost of board and lodging during residential school trips. This cost must not exceed the actual cost of the provision.

Where the trip takes place wholly or mainly during school hours, pupils whose parents are in receipt of the following support benefits will, in addition to having a free school lunch entitlement, also be entitled to the remission of these charges:

- Income Support
- Income Based Job Seekers Allowance
- support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit (provided the parent is not entitled to Working Tax Credit) and their annual income does not exceed the threshold
- Guarantee element of State Pension Credit

A similar entitlement applies where the trip takes place outside of school hours but it is a

necessary part of the National Curriculum, forms part of the syllabus for a prescribed examination that the school is preparing the pupil to sit, or the syllabus is religious education. If the trip takes place outside school hours and **does not** form part of the above, the school can make a charge for transport.

Instrumental Music tuition

A charge may be made for instrumental music tuition, unless the tuition forms part of the syllabus for a prescribed examination (e.g. GCSE), that the school is preparing the child to sit, or is part of the National Curriculum or the syllabus for religious education, in which case a charge is not permissible.

Public Examinations

No charge may be made for entering pupils for public examinations that are set out in regulations. However, an examination entry fee may be charged to parents if:

- the examination is on the set list, but the pupil was not prepared at the school
- the examination is not on the set list, but the school arranges for the pupil to take it
- a pupil fails without good reason to complete the requirements of any public examination where the governing body or LEA originally paid or agreed to pay the entry fee

Charges may not be made for any cost associated with preparing a pupil for an examination. However, charging is allowed for tuition and other costs if a pupil is prepared outside school hours for an examination that is not set in regulations.

Charges for "finished products"

Schools can make a charge to cover the costs of materials/ingredients for subjects such as design or food technology. The school should ensure the parents are aware of the charge in advance, not retrospectively, and have indicated that they would like their child to bring home the finished product.

Optional extras

This kind of activity can be charged for where the activity takes place outside school hours. This can include:

Pupil's travel costs.

Board and lodging

Materials, books and other equipment

Non-teaching staff costs

Entrance fees to museums, theatres etc.

Insurance costs

The cost of engaging a teacher, who is already employed by the Authority, on a contract for service, as distinct from a contract of employment, specifically for the activity.

Clothing

Although no charge can be made for "equipment" for use in school in connection with education provided during school hours, clothing is specifically excluded from the definition of equipment. Parents can therefore be asked to provide their children with such things as PE kit, protective aprons and sports kit.

Late Collections

Although we understand that on rare occasions, parents and carers may be late to collect their child/children at the end of the school day, we operate the following system for persistent lateness or extreme lateness:

- If you arrive to collect your child between 3:25pm and 3:30pm on more than 3 occasions in any one academic year, on the 4th occasion and every time thereafter, your child will be sent to After School Club and you will be charged accordingly.
- If, on any one occasion, you arrive after 3:30pm, your child will be sent to After School Club and you will be charged accordingly.

All charges will be automatically applied to your ParentPay account.

Information on Charging and Remissions Policy

Parents are entitled to information about a school's Charging and Remissions Policy, and governing bodies must ensure that this is available on request during school hours.

School Lettings

The school has set a hire charge of £20. per hour for all normal lettings. The Headteacher shall have the option of adjusting the rate if required. The Hirer shall complete a booking form which will be formally approved by the Headteacher and signed by him/her.
