

Weekly Update: Term 5, Week 2 - 29th April to 3rd May

This week has been Powerdown week in school. The Eco Committee have been reading the electricity meter twice a day to work out how much energy we use on an average day. On Friday, everyone will be switching off electrical equipment and lights, and taking learning outside to see how much electricity we can save. We will let you know the results and hope this puts us in good habits for future energy use. You may want to try this at home with your family. Let us know about it if you do.

The children have been outside to look at the newly cleared Pond Area - please have a look at the Twitter feed on the front page of our website for more photos.

And there must be something in the water, because this week we are delighted to share with you the news that Miss Laughton and her partner

are also expecting their first child in October 2019! Once again, we are sure you will help us support Miss Laughton throughout her pregnancy.

We hosted a girls' football tournament on Thursday against DSJ, Baston and Linchfield. Sadly our girls narrowly lost their matches by one goal each time, despite dominating possession. Baston won the tournament.

Term 5, Week 3 - 7th to 10th May

Events of note happening next week are:

- Hot Meals** - please remember to set up an account to book hot meals with our new provider, Ideal - the meals will be starting w/c Monday 13th May. <http://www.schoolmealsonline.com/>
- Class Photos** - class photos will be taken the morning of Friday 10th May, so please ensure your child has their school jumper/cardigan on that day (as well as the rest of their uniform!!)
- ReadingLincs Reading Buddy Training** - if you have signed up for this initiative then please come along to this meeting on Thursday 9th May at 11am. If you are interested in taking part please contact the School Office to book a place as soon as possible.
