- 24.5.19 break up for half term
- 10.7.19 - Studland Bay trip
- 19.7.19 - school closes at 11.30

This week:

We have had a busy week this week! The children had a brilliant time at the Lego workshop on Monday - hopefully you saw the photographs on School Jotter and your children told you all about. According to Roger, he has over 100,000 pieces of Lego at home - WOW! **If you have not yet paid for this then please pay us as soon as you can.**

We have started our new topic - Amazing Places and Spaces and have investigated Oxford in relation to the whole world. In R.E. we have been looking at The Resurrection and the disciple's reactions to Jesus coming back. We have also thought about our Class Saint's with Taff learning about who Joan of Arc was and Leith celebrating St Catherine's Feast Day.

Next week:

We will be continuing our topic next week, looking at the countries in the United Kingdom and finding out about their flags. In R.E. we will be continuing to think about Easter and some of the signs and symbols we see at this time of year. In Maths we will be thinking about fractions and time, consolidating what we learnt last term. In English, we will be continuing with George and the Dragon, having a go at being our own wonderful writers using all the skills we have learnt.

Reminders:

Thank you to everyone who has sent in their child's home learning book so we can stick in the new books - your child will have been given one in a wallet if they have not got their book in school, please look over it this weekend and we can stick it in with their homework next Wednesday.

Thank you to everyone who brought in the money for the lego workshop, the office are still able to take payments even after the event so please pop in if you haven't paid - we are unable to run other trips and activities if we do not have enough contributions for enrichment activities.

Have a brilliant bank holiday weekend - we'll see you on Tuesday!

The Year 2 team
