

CHESTER PARK
JUNIOR SCHOOL

3rd May 2019

Dear parents/carers,

I am writing to apologise for the mix up of dates and paperwork sent out to you recently regarding the school RSE meetings. I appreciate that these different messages being sent out can be frustrating: I endeavour for this not to happen again and thank you for your patience.

As part of the PSHE curriculum, RSE provides pupils the knowledge and understanding of how the body changes during puberty as well as the processes of human reproduction. An outline of the lessons has been sent out on paper, along with a consent form to be returned to the class teacher. If you would like to find out more about the content of the lessons, Year 3 teachers will be holding an information session at 3:30pm on Thursday 9th May.

Once again, I apologise for the confusion,

Yours, in partnership,

Kathryn Curry
