From Mrs Foster ...

Dear Parents/Carers,
We have had a positive and productive start to the Summer Term at Welford. The children are enthusiastic and engaged in their learning and we are very pleased with the progress they are making...

At the start of the term we are working hard to ensure the children are in class, on time and ready to start the day so that there are no lost opportunities. Please help us by ensuring children are in school and on time. Late collections are becoming an issue for Sarah and others who manage the late door. Children should be picked up punctually from their classes at 3.30 pm unless there are exceptional circumstances. Please help us to improve this situation. Late children may have to be admitted to After-School care which will incur a charge .

I hope you managed to watch some of our children on Gardeners World (BBC 2-Episode 7). The children who took part in the programme were real TV superstars and we were all blown away by their conversations and comments. If you didn't see it, it is still available to view on BBC i-Player.

Thank you to all parents who have been very supportive of our fund raising events and business enterprise themed events. Your generosity and intent to make a difference to the quality of life for others is very much appreciated.

Congratulations to those classes who have successfully achieved our whole school target of 96.5% & above from 12 April to 3 May 2019

Year 2 and Year 6 are working really hard to prepare for their SAT's and we wish them the best of everything at this time. I am sure all children will be the very best they can possibly be. They certainly deserve to do well with all of the efforts they have shown in the classroom. We have everything crossed.

Finally, if you have any worries or concerns at the start of this term work with us to sort any issues. Thanks for your continued support.

Mrs C. Foster

MEDICATION IN SCHOOL

If your child needs to take prescribed medication or has an allergy please ensure that the school is fully informed and that any appropriate prescribed medication is also kept at school.

It is very important that you inform the school if you know that your child has an allergy. We keep this information on file in case of an emergency. Children do not need to be absent from school for allergies if they are properly managed.

No Debt Policy

The school has now adopted a No Debt Policy. Unfortunately, the school is experiencing difficulties with parents/carers, who are not paying for school meals and allowing debts to increase. There are always numerous attempts made to remind parents/carers about paying for school meals, however as a school with rising costs, it is becoming more difficult to fund bad debts. Please see the full policy on the school website.

Message from Miss Clarkson

A big thank you to all the children, parents and families of Welford for their very special gifts, cards and good wishes on my retirement. I take many special memories away with me.

Best Wishes as always from Miss Clarkson
