

We have had a really busy and exciting week in school.

Evening of Song - St. George's Day

What a fabulous event this was. It was so great to see all our local schools and families come together with the community in such a spectacular way! The atmosphere and sense of partnership between the schools was wonderful. Our choir was a credit to Cowick school. A huge well done to all the children and staff and local council who came together and worked hard to make this such a memorable event. Thank you to all the parents and community who came together to support this evening of song.

Tour de Yorkshire

Well, true to form, the good old British weather did its best to scupper our best laid plans, but a bit of rain was not going to dampen the spirits of everyone in school who had worked so hard to ensure a day of celebration. I am sure you will agree, the school looked fabulous decked out in yellow and blue to welcome the cyclists on their way.

Fortunately, the rain held off just long enough for Water Class to run their very successful Multi-Skills sports day and to enjoy a lovely picnic lunch. Well done Year 3 and 4!

If you haven't already done so, make sure you check out our website for photos from the Evening of Song and Tour de Yorkshire.

Earth Class

Earth Class held their very own Tour de Yorkshire today - even the weather was the same!

Dates for your Diary

New items are added in red
