## Welcome back to the Summer Term!

A warm welcome back to the final term of the year. We are looking forward to learning in the summer sunshine!

## Year 1 trip to a Synagogue

Year 1 enjoyed a trip to the synagogue in Birmingham this week as they learned about one of the world's main religions.

Children had a wonderful time learning about the traditions and history of the Jewish faith and hearing about some of the characters in their past which are common to Christianity. The children were incredibly excited to learn all about a different faith and how they worship. Year 1 were especially excited when they were able to explore precious Jewish items and try on their clothes.

As part of our RE curriculum children will get the opportunity over their time at Coleshill C of E Primary to visit places of worship for all of the world's main faiths.

### Dates for your Diary

Whole School so far this year 95.04%

**TARGET: 96.1%**

## This week's Achievers - Well Done!

### Oral health

According to Public Health England almost a quarter of 5 year olds have tooth decay with an average 3 or 4 teeth being affected. Prevention is always better than cure, therefore please encourage and supervise your child/ren to clean their teeth twice a day and ensure they visit the dentist for a check-up every 6 months even if there are no problems with their teeth. **NHS dental care for children under 18 is free.** Children should also limit sugary food intake as we know that sugar harms teeth. You can speak to your Dentist if you have any concerns about your child's oral health. The opportunity to discuss any health issues relating to your child is always available and the School Health and Wellbeing Service can be contacted on 03300 245 204 or confidentially text ChatHealth Parentline on 07520 619 376.

We are in the process of creating a school Twitter account, @ColeshillCofE.

This will be an opportunity to share what we are doing at Coleshill CE Primary; examples of outstanding work, interesting hall displays, feature events that we hold in fact anything that helps to share.

No photographs of children will be published without explicit written parental permissions for those individual children.
