Dear Parents and Carers,

### **Communication Café**

In term 4 we held our first Communication Café for parents and carers to share their thoughts and ideas. It was a productive meeting with good suggestions to improve the school for the children. As a result several changes and new opportunities are being started this term. Below are some of the resulting actions.

**Year 3 end of school day** – as from the 7<sup>th</sup> May Year 3 children will be dismissed from the door nearest Ash class, with steps to the car park. This is to reduce the congestion by the gate as children walk out of school.

**Site Improvement** –there are some areas of the school site that are looking very “tired”. It was suggested that we have opportunities for volunteers to help tidy and spruce up these areas. In response we are starting a bi weekly “Renew Crew”. The first meeting will be on Wednesday 8<sup>th</sup> May will meet at 2.00pm with Rob, a member of the site staff, to decide on the teams’ first project.

**Library** – we have a lovely new library, but we need some help sorting the books out. It was suggested they may be a few parents willing to make this a project! Please give your name to school office if you are able to help.

**Sports Day** – in response to comments from those at Communication Café this will be held on the Bligh site this year. (more details to follow)

Your input counts and can make a difference. Please join us on **Wednesday 22<sup>nd</sup> May at 8.45am in the library for the next Communication Café.**

Yours sincerely

Mr Markham  
Head of School
