

Year 5 – Homework for the Summer Term 2019 - Egypt

Weekly Tasks:

Core homework task – these activities are to reinforce and practise key skills and learning and should be the main focus for homework. A weekly routine will really help to get these achieved.

On a weekly basis, children should complete:

1. Reading 3 times a week which is recorded by the child and signed by the parent in the new homework log (reading every day is encouraged)
2. Spelling practise: New words given on a **Thursday** and tested on a **Tuesday**. Scores of the test will be recorded in the Homework Log Book.
3. MyMaths – set on a **Thursday** and links to learning that is currently being taught in the class
4. Times tables using Times table rock stars – 3x10 minutes per week

Below you will find a variety of tasks which link to different areas of the curriculum. Your child is not required to complete **all** the tasks but must choose **at least one** to complete before the end of the each half term. They can do as many as they like but they must do one every half term. We will share homework as a year group on the following dates: **Tuesday 21st May** and **Tuesday 9th July**.

We are not supplying a book for the completion of homework but your child may take paper home to complete desired tasks.

Please use the Homework Log Book to communicate with the class teacher.
