25<sup>th</sup> April 2019

Dear Parents / Carers,

Welcome back to the start of the summer term. We hope you all had a lovely Easter break. The children have already been working hard and are remembering our school rules which we continue to reinforce each day:

- We are ready
- We are respectful
- We are safe

Our P.E. sessions are staying the same: Wednesday morning and Thursday afternoons. Please ensure your child has a named P.E. kit in school on these days including outdoor footwear. Some children have lost items from last term so please can you check your child's kit and return anything to us that may have accidentally ended up in the wrong bag.

Homework continues in the same way. A new grid is stuck into your child's homework book with a choice of activities. Please support your child to complete one each week and return to school on **Wednesday** each week. They will also continue to bring home their spelling book with words to practise which we test every **Friday** so please ensure they have this book with them on Fridays so we can stick in the new spellings for the following week. Please continue to read with your child as often as possible and note when you have read in the yellow reading record book.

This term our learning includes finding out about different plants that are found in the local area and what plants need to live and grow. Further information about what we are covering can be found on the back of this letter and the knowledge organiser for our Geography learning is also included. All this information is also available on the class page of the school website.

If you have any further questions please do not hesitate to come and ask us.

Many thanks for your continued support,

Mrs Hunt and Mrs Rogers
