Fiction: The Sandman and the Turtles/ Flotsam

Non-fiction: Recount/ Newspaper Reports

Maths

As mathematicians Y4 children will be learning

-Measurement: Money -Measurement: Mass, Volume and Length

As mathematicians Y3 children will be learning about;

-Statistics-Picture and Bar Graphs -Fractions

Science (ocean habitats)

As Scientists we will;

-Recognise that living things can be grouped in a variety of ways.

-Learn about the different parts of the ocean and label the five depths.

- Observe and learn how the creatures that live in the ocean have adapted to their different habitats.

-Recognise that environments can change and that this can sometimes pose dangers to living things.

Computing

As ICT experts we will be:

-learning how to use the chrome books to research.

-How to use computers and the internet safely (e-safety).

History

As historians we will be making links to our previous themes of:

Knights and Castles-Anglo Saxon raiders

Raiders and Settlers-Viking invasions and settlements.

Curious about the coast.

Social, Spiritual, Moral and Cultural

As members of a Church of England school we will be exploring our school values of **courage, forgiveness, thankfulness** and **our community** in collective and class worship.

During collective worship we will learn more about our values by acting out bible stories, writing prayers and completing a reflection journal.

British Values

As British citizens we will be developing an understanding of our global and local community.

Religious Education-Community

As religious educationalists we will be finding out about what it means to be part of a community.

We will also be comparing Christian rituals, such as baptism and weddings with those of other religions and cultures.

Geography [Focus on Coastal Study]

As Geographers, we will be; developing mapping skills and investigating how cliffs and beaches are formed.

We will also be identifying key human and physical characteristics and exploring how some of these have changed over time.

Art and Design

As artists, we will be learning about great artists and understanding the historical and cultural development of their art forms, including landscapes.

We will be exploring different mediums and techniques to create seascapes.

Physical Education

Net/ Wall Games-In Games sessions we will be developing skills of;

- Coordination
- Concentration
- Technique
- Control

PSHCE -As polite citizens we will be developing the skills necessary to create an

emotional toolkit that will help us to succeed in life.

Our SEAL (Social and emotional aspects of learning) topic for this half term is "Relationships".

Music

As musicians we will be learning to appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians. In particular, we will be focussing on Vivaldi's musical description of the four seasons.
