

School Council Meeting

Date: 06/03/2019

Apologies: All present

Agenda Point 1: Hand over from old councillors to new councillors

Mr Clewer and Miss Walden thanked the members of our old school council and welcomed our new team.

Our old team shared tips, their roles and any other information they thought would be useful for the new members of our council.

Agenda Point 2: Electing our new panel

We had a blind vote to decide on our new team.

Chair - Jack

Vice Chair - Qiannah

Secretary - Ruby

Treasurer - Alife

Agenda Point 3: Comic Relief

School Council representatives were asked to talk to their class about dressing up in red for Comic Relief. We want to get as many people as we can dressing up. As a team we will support Mrs Welsby when she teaches our classes about Comic Relief and their work during our Life Ed lessons.

Chair and Vice Chair will judge the red nose design competition.
