

# School Council Meeting

Date: 03/04/2019

Apologies: Jacob and Evie

## Agenda Point 1: Music and Drama Questionnaires

We have been asked to carry out a questionnaire to gather children's opinions on musical instrument lessons in key stage 2. This needs completing before 3/05/19.

## Agenda Point 2: Good Ideas for the end of year trip

We have now talked about our ideas for the end of year house trip. We have had to decide what options would be suitable for children throughout the school.

Miss Walden will meet with the Chair and Vice Chair on 1/5/19 to book the trip.

## Agenda Point 3: Choosing our charity and the next fundraising event

We have decided that our charity for this school year will be St Giles.

During the next meeting Miss Walden, the Chairman, Vice Chair, Secretary and Treasurer will plan the next fundraising event.

We have decided to do a whole school skipathon during sports week as well as other fundraising events.

AOB: Punctuality – children are arriving late to their meetings, school council members must remember that they have a meeting and turn up straight after getting their afternoon register mark.
