

As the weather is getting warmer there are lots of signs of Spring! Can you find any when you are out and about? Maybe you could see some colourful flowers growing? Or baby sheep in a field? We would love to know what signs of Spring you found!

An artist called Henri Matisse has a famous picture called 'The snail'. Can you find this on the internet and have a look? Maybe you could create your own Matisse inspired picture?

We have planted some beans at nursery! Have you managed to look after your bean? Is it growing? We would love to see a picture of your growing plant!

We love finding minibeasts in our forest! Would you like to go on a minibeast hunt? We would love to know what you find!

Please enjoy an activity each week with your child. This will help to support their learning.  
We would love to see any photographs or pieces of work!

We love to sing songs! And songs with numbers where we count up, or down, are really good fun! Enjoy singing some of the songs we love to sing at nursery, at home!

Emily is our nursery star baker! She has a recipe to make some sunshine biscuits! Have a try making these at home (the teachers will be happy to test these for you!) Don't forget to weigh out your ingredients carefully!

Please bring into nursery or send to [photos@rosegrove-nur.lancs.sch.uk](mailto:photos@rosegrove-nur.lancs.sch.uk)

The library bus will be visiting nursery soon! Its so exciting to choose new stories and books to look at! Maybe you could plan a visit to the local library? Its so wonderful to join, and choose books to borrow!

Have a careful look around your house! Can you be a shape detective? I wonder what shapes you can find?

Can you draw a picture of your favourite animal? What colour will you use? Think carefully about how your favourite animal looks. We would love to see your animal pictures. Can you bring them to nursery and we can display them.

There are lots of patterns everywhere, involving colours and shapes! Maybe you could spot some around your house or outside. Have a try at drawing a pattern.
