Moor Mums

This is a **local** information group based on Facebook to support new parents in the areas of Ilkley, Otley, Guiseley, Baildon, Bingley and surrounding villages.

Net Mums

This is a website that includes local parenting networks across the UK. It offers information on everything you may need to know about your local area. The site also has parenting articles that start with pregnancy and follow through each

stage of childhood helping mums to enjoy a happy and healthy family life.

Toddler Groups/Stay & Play

Toddler Groups are for children and their carers from birth to about 4 years old and provide a range of activities and socialising opportunities. Children must

be supervised by their carer. There is often a small charge and refreshments may be available. It is good practice to check that they have places as there is large demand on toddler groups in the area.

Look on www.familyinformation.leeds.gov.uk or netmums.com for more details on multiple births, fathers groups etc.

Pre-School Options

Registered Childminders offer care and early education in a home environment, some are able to claim FEEE and will take/collect older children from schools. Details of all local Childminders can be found by contacting the Family Information Service (see page 1).

Pre-schools traditionally offered sessional care – mornings or afternoons, but now some have expanded to provide full day-care. Some of them take children from 2, but 2 ½ or 3 is more common. Check whether they are open all year as traditionally they have been term time only. There will be a fee, if you are not eligible for Free Early Education Entitlement ('FEEE' see the 'General Information' section at the back of this directory for details).

Schools

All children are entitled to a free full time reception place (9.00 – 3.15 term time) from the September after the child is four, though technically children don't have to start school until the term after their fifth birthday.

All parents should receive a letter in the autumn, from the admissions team at their home detailing their nearest school and how to apply. You can request a guide 'Starting Primary School in Leeds'. If you do not receive a letter, or to contact the LCC Schools Admissions Team – 0113 2224414 or www.leeds.gov.uk (click on Residents page, then Schools & Learning) where you can apply on line. It is very important that you apply for a place before the deadline. For more information on the admissions process look on the website above or contact a school.
