Kiwi News

There have been lots of exciting opportunities at Kiwi since our last newsletter including...

Science Week

Science Week was launched with an assembly from Wessex Water, followed by Water Workshops for Key Stage 1. In addition, the children were all amazed when they saw that a large dome had appeared in the school hall and they loved their visits during which they flew through space and learned about dinosaurs.

Year 1 Farm Visit

Year 1 visited River Bourne Community Farm and saw lots of different animals. I believe the piglets were very popular as well as the chickens!

I heard that the children had a great day and their teachers were proud of their behaviour choices. Some of the children have been to share a written recount of their visit with me—they had definitely been trying tortoisés, trying to be their best! Well done Year 1.

Ofsted

As you will already be aware, the school underwent an Ofsted inspection last Tuesday, 26th March. As the previous inspection was June 2015, where we were graded 'Good', one was due to take place any time from last summer. Since the last inspection the school has continued to go from strength to strength and we were very happy to share our progress and good practice with the lead inspector. She did spend some time talking with several parents last Tuesday morning and I would like to thank you for taking the time to do this and for your very positive comments about the school. Thank you also to those parents who were able to complete the Ofsted Parent Survey and the supportive comments that were written by families in the 'free text' section; your support and feedback is always welcomed. We are looking forward to sharing the outcome of the Inspection with you, once received by the school after the Easter holidays, prior to it being published on the Ofsted website.

Kevin's Trip to Windsor

Kevin recently visited Windsor to meet families from the Household Cavalry - he thoroughly enjoyed his day, making lots of new friends as well visiting the stables where he helped with mucking out and making horse shoes. 911, one of the young horses, kindly allowed Kevin to ride on his head while Eric, a coach horse, was even more friendly - he even gave Kevin a kiss to say thank you! After making himself at home in the Officers' Mess, Kevin visited Windsor Castle and had a chat with the police officers. Thank you to everyone at Windsor for giving Kevin such a warm welcome!

Have a look at the Gallery on the school website to view some of Kevin's antics!

Reminder

Please remember to name your children's clothing. As the weather improves, we find that the children often leave coats and jumpers outside—it is much easier to reunite them with their owners if they are named.

Thank you for your support.
