New Nursery Provision for 3 & 4 Year Old Children

Places can be for 15 or 30 hours, fee paying or using the governments free childcare provision.

Nursery is a very important stage of your child's education as it helps them get ready for school. Your child's early years experience should be happy, active, exciting, fun and secure; and support their development, care and learning needs.

Please contact Mrs Gower in the school office if you would like to book a place for your child.
