30th March 2019

Dear Parents

Year 5 Swimming at Gordons – 3rd – 7th June 2019

As with previous years, Year 5 will be completing a week long swimming course at Gordons school. The swimming sessions will take place each morning. It is easier if children have their costumes underneath their uniform when arriving at school.

The children will be assigned groups and will be leaving by minibus. Ant Faithful (our morning site manager/Bisley Base) will drive back and forth to collect and return the children in the Bisley Base minibus. We often also use a staff or parent car to help ensure the children are there on time. Children will be back at school in time for lunch.

There will be a member of staff at the swimming pool at all times however, often the children could do with an extra pair of adult hands to help chivvy them along with changing! If there are any parents who would be willing to lend a hand on one or more days please let us know.

SWIMWEAR

- It is a requirement that boys' swimming shorts/trunks are above the knee in length and have no pockets to avoid danger in the water
- Girls should wear a one piece costume.
- All children will require a towel and a carrier bag to put their wet belongings in.
- Swimming hats are compulsory
- Jewellery should not be worn
- Long hair must be tied back for ease of putting on a swimming hat

So that the swimming coaches can assign children to the correct group, please indicate their swimming ability on the reply form and return to the school office as soon as possible.

Kind Regards

Mrs McConnell

Year 5 Swimming 2019 Reply Form

Child's Name:.....

Swimming Ability

(Please tick or delete as appropriate)

- My child can confidently swim 25 metres
- My child can confidently swim 15 metres
- My child can confidently swim 10 metres
- My child cannot swim but is confident in the water
- My child cannot swim and is not confident in the water

If your child has any certificates for swimming please list them here:
