

Year 1 Menu - Summer

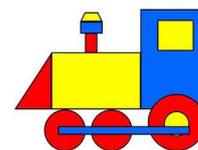

By Wednesday 12th June 2019 you need to have completed the tasks set below— a starter, one main course, one dessert and one drink. All work must be handwritten, so make sure you pay attention to your presentation, particularly your spelling, punctuation and grammar—this is partly what your work will be marked on. All participants will receive 25 house points with the best entry from each class receiving a £5 Tesco voucher.

Starter

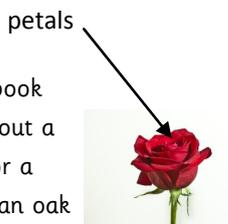

Draw a picture made up of different 2D shapes. You could use squares, circles, rectangles, triangles or any other 2D shape. Try to include some trickier shapes— how about drawing a picture with a pentagon. Label the shapes you use.

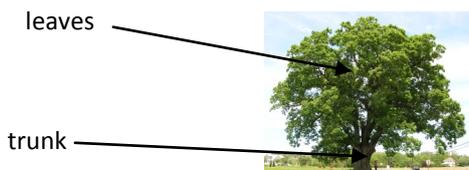

Main Course

Meat Option

Go to the library and get a book about plants. Find out all about a plant—it could be a flower or a tree you choose. It could be an oak tree, a rose, or a daffodil.

Draw a picture of your plant and tell me a little bit about it—label your picture—show me where the leaves are, where are the petals, where is the trunk?

Vegetarian Option

In Science we will be looking at staying healthy and the foods we eat. Draw a picture or make a model of your favourite food. You could use pencils, pens, crayons or paint to draw it or if you want to make it think about rolling up newspaper and painting it if you want to make a sausage. Orange string would make good spaghetti and bits of material could be cut up to make pizza toppings. Have fun making it and be prepared to tell me why it is your favourite food.

Desserts

Choice 1— Make some wrapping paper with a fruity print on it. You could either draw the fruit onto it or you could use a piece of fruit and some paint and make a fruity print.

Choice 2— Draw a fruit bowl—think about its shape. Once you have drawn your bowl draw some fruit in it. Are you going to add apples, oranges, bananas, grapes, peaches - you choose. You can use pens or pencils, paints or pastels—it's all up to you.

Drinks

SMSC— **Choice 1**— Washing your hands. Design and draw a leaflet that explains when you should wash your hands and why. Draw pictures to help with your leaflet.

SMSC— **Choice 2**— Which fruit would you choose? You have a piece of fruit everyday at school. If you could choose which fruit would you have on each day and why. I would want strawberries on a Friday because I like strawberries and I like the end of the week.
