### Health & Safety in School

Over the past 2 weeks we have looked at Health and Safety in school. Gary Laird, our Health and Safety Inspector, has been in school and undertaken a full audit. As part of this audit he watched, timed and audited a fire drill, the children and staff were highly praised on their speed, behaviour and how smoothly it ran.

Yesterday our Health and Safety Governor, Mrs Rachel Barker, undertook a learning walk around school with our student council. The children led this inspection and ask questions about how we could improve safety in school.
