

Year 3/4 Tennis Tournament

7/5/19

Hillside entered three teams into the Year 3/4 tennis tournament, held at Newsome High School. All of the children enjoyed the experience and improved their skill level enormously. Each team played three matches, but sadly none qualified for the semi-finals. The children, however, wanted to play more and continue to learn. Another great event, organised by SPIN and run with the help of Newsome young leaders.
