## PARENT/CARER SURVEY

April 2019 – 63 responses

Thank you to all of the parents and carers that responded to our recent survey.

Please see below for a summary of the responses. It was fantastic to read so many positive comments and to see the improvements made since our last Ofsted inspection. All of the individual comments will be discussed by the staff and governors and we will then identify any shared concerns. We will let you know the changes that we will be making in response to your feedback. Thank you.

Please note that the figures in brackets are the May 2016 Ofsted survey results.
