## **Parents' Forum**

Dear parents/ carers,

At Churchfield we strongly believe that teamwork between school and parents is key to success for our children. School and parents have much in common, both wanting to provide the very best opportunities for our children, and to create the best possible learning environment we can. It can only be beneficial when parents and school work together to achieve this common goal.

With this in mind, we would like to invite you to attend our first Parents' Forum on Wednesday 22<sup>nd</sup> May (6pm - 7pm). This will be an informal meeting, where parents can share their views on the school. We would like to know what is working well and why, and what could be improved and how. The emphasis will be on working together to find ways that we can continue to improve both you and your child's experience at school.

The forum is not a place to address individual concerns about your child or issues relating to individual members of staff. Parents who need to discuss any issues should approach their class teacher or a member of the senior leadership team. This evening is the opportunity to work together to help our school become even better.

Refreshments and snacks will be available, as well as a crèche for children.

If you are able to attend the Parents' Forum, please sign up using the School Gateway app or website. If you are unsure of how to do this or are having any issues, please speak to Mr Bean or Mrs Shephard who will be happy to help.

We look forward to working together with you and thank you in anticipation for your support.

Mrs L Y Gray Staff and Governors
