Forest Schools

In the morning the children will be taking part in outdoor activities to improve confidence, self-esteem and communication and to learn about the natural environment.

This weekend you could try the 50 things app and look at activity #41 Water Feature.

Bradford has water everywhere, from City Park and the Mirror Pool in the centre of Bradford to ponds and lakes in the local parks. There are canals and rivers and even reservoirs at Chellow Dean in Allerton, Stubden near Denholme and Lower Laith near Haworth
