Dear Parents/Carers

Miniature Model Garden Competition

We are organising a miniature model garden competition for all children to enter if they wish, either as individuals or in groups of no more than four.

The model gardens must be no bigger than 30cm x 30cm and can be constructed using any appropriate materials....time to use your imagination. However, if natural products are used please do NOT use eggs, egg shells or nuts as we have several children in school with severe allergies to such products.

All model gardens will be displayed and judged at a Community Breakfast hosted in school, details of which will be available in due course.

Individual entries will be judged by their curriculum year group and entries submitted by groups of up to four children will be judged by their key stage.

All entries must be brought to school on the morning of Friday 24 May and taken directly to class.

Please ensure that the child's/children's name(s) and year group are noted under the base of the model garden.

Time to start planning and get crafty! We look forward to seeing your wonderful creations.

Yours sincerely

Mr R Orr
