Dear Parent / Carer

RE: Key Stage 2 Peripatetic Music Lessons

Your child listened to a music demonstration this morning given by Music Teachers from the Milton Keynes Music Co-Operative.

In conjunction with the Music Co-operative, we are planning to offer small beginners' groups of children the opportunity to learn the guitar from September. The cost will be £50 for the Autumn term (10 weeks x £5/lesson), and for each term thereafter, payable termly in advance. A half term's notice period is required for cancellation of lessons.

The lessons will be held weekly and last for 30 minutes. There will be 30 teaching weeks over the three terms of the academic year. The groups will be taught by specialist peripatetic teachers employed by Milton Keynes Music Co-Op. If you do not have access to a guitar, you should be able to hire one from the Music Co-op for the first year for a nominal fee. (Parents will need to insure them and take responsibility for their safe-keeping.)

If your child is interested in taking guitar lessons in school, please complete and return the reply slip below and we will contact you regarding availability.

Thank you for your support.
