

### English

In English the children will be reading the book 'UG: Boy Genius of The Stone Age and His Search for Soft Trousers' by Raymond Briggs.

In this multi layered graphic text the concept of a 'stone age' is taken to extremes with everything, including trousers made of stone. The story follows the quest of a Stone Age boy, Ug in his search for softer trousers. With ideas beyond his time his questioning and inventive mind proves exasperating at times for his parents. This book provides many opportunities for discussion and lots of humour at different levels from the illustrations to the footnotes

### How parents can help at home

- Read with your child at least 3 times a week.
- Practice partitioning numbers into hundreds, tens and ones.

### Science

**Rocks and Soils-** Linking in with the Stone Age Topic

### French

Hungry Caterpillar

Months of the year

### Topic **The Stone Age**

- Place events, artefacts and historical figures on a time line using dates.

- Understand the concept of change over time, representing this, along with evidence, on a time line.

- Use dates and terms to describe events

Use appropriate historical vocabulary to communicate, including:

- dates

- time period

- era

- change

- chronology.

### **Summer Term 1**

UG: Boy Genius of The Stone Age and His Search for Soft Trousers

### Computing

Branching data bases and spreadsheets

Use technology safely and responsibly. Identify a range of ways to report concerns about contact.

### PSHCE

#### Relationships

Children will discuss family roles and responsibilities reflecting on these expectations. They will be identifying and putting into practice some of the skills of friendship, e.g. taking turns, being a good listener. They will also look at strategies for staying safe.

### RE

#### Gospel

#### What kind of world did Jesus want?

The children will make links between the calling of the first disciples and how Christians today try to follow Jesus and be 'fishers of people'. They will also give examples of how Christians try to show love to all.

### P.E

**Gymnastics** - children will explore travelling and balancing on the apparatus in gymnastics.

**Multi skills** - The children will work on their balance, agility, speed and co-ordination in their multi skills sessions. They will also be looking at tactics, attacking, defending and scoring.

### DT

#### **Making Ug's trousers-**

Sewing skills basic stitching, pattern cutting and design.

### Maths

**Rising Stars** - Writing numbers in numerals and words, and write and estimate times. Using number and place value. Add 3-digit numbers using mental and written methods. Subtract 3-digit numbers using mental and written methods. Represent large numbers and tenths in different ways. Find and compare unit and non-unit fractions.
