9th May 2019

Dear Parents,

It is with great excitement that I take on the new role as PE Co-ordinator at Himbleton First School. We have two particularly exciting opportunities this term, firstly, Mrs Polly Kippax will be in school on a Monday to help out with PE throughout the whole school; secondly on a Thursday, Mr Mark Spooner a cricket coach will be in school to teach and coach cricketing skills with both Key Stage 1 and 2. The whole school will also benefit during lunch breaks from their sporting talents because they will set up and play a variety of sports and games with the children.

PE is a subject I feel passionate about and I am thrilled at the prospect of developing this subject further at Himbleton in order to give all of the children every possible sporting opportunity. We would therefore appreciate it if your child could have a pair of trainers in school for PE lessons, as well as their pumps. These will need to be clearly named because they will live in a year group box outside each classroom. It is our intention that all PE lessons will be outside on the field or playground as much as possible subject to the weather. We do appreciate that having trainers is an added expense but they do not have to be a smart or expensive pair. They are important for your child's feet when taking part in physical exercise and give them more support.

We would encourage all children to have the correct PE kit in school, at all times, especially with the summer months ahead of us. Please could they also have a separate pair of PE socks in their kit bag as well as their usual PE uniform. If you are unsure about what is required in their PE kit then please do ask.

I thank you in anticipation of lots of pairs of trainers arriving at school and clearly named. Here's to a fantastic summer of sport at Himbleton First School.

Yours sincerely,

Philippa White
PE Co-ordinator
