## Ahoy There Me Hearties!

This week has been filled with a healthy dose of pirate fun! We have been busy creating pirate hats and flags. Nursery have absolutely loved their role play in the pirate ship and small world play in the water tray. This week has been a big week for turn taking. The children have been practising the art of sharing and making sure everyone takes a turn equally. Pop up Pirate has been a big hit, as has Hungry Hippos!

We have had so much fun learning about pirates that we will be continuing with this topic next week. We will transform into explorers; learning all about the sea and different countries.

Have a lovely weekend, I hope the rain stops so you can finally enjoy some spring sunshine. - Mrs Dainty

Shape of the Week:  
Triangle

Writing focus:  
Name writing

## Important Notices

### Trip to Hatton

Our Nursery trip has been scheduled for Friday 5th July. I will be sending letters out shortly with information about pricing etc. We will be looking for a number of parents/carers to support with this trip. Please register your interest with Mrs Newsome.

### Lunches and Ice Packs

If your child stays with us for lunch club can we ask that you put an ice pack in their lunchbox. As the weather gets warmer we are concerned that meats, cheeses and yoghurts will start to go off if we are lucky enough to have a particularly warm day.

### Coats

Although we are entering the summer months, can we remind you to make sure your child comes to school each day with a waterproof coat. This could be a lightweight jacket or fold-away mac. As you are aware the British weather can change quickly and a waterproof always comes in handy!

## Donation Station

With spring in the air and summer on it's way we are thinking hygiene!

We are looking for donations of:

- Wet wipes
- Boxed tissues
- Air freshener
- Antibacterial wipes
- Storage baskets

# Home Learning Challenge

## Next Steps Targets

New next steps targets have now been issued. This week children's home learning challenge is to learn their target and begin to practice it with an adult. Once you feel your child can complete their target (without adult support) please return it to us and we will be pleased to present your child with a certificate of congratulations and issue a new target!

Name \_\_\_\_\_ Date Issued \_\_\_\_\_

**CLIFFORD BRIDGE ACADEMY**

**My Next Steps Target Card**

**My Next Steps Target is:** To describe the position of objects. (underneath, on top of, beside, next to, behind and in front)

in	next to	on top
on	bottom	out
under	off	

**You can help me achieve this by:** Helping me to notice objects and people around me and talking to me about where they are. Maybe we could play 'I spy' together... 'I spy something under the table'.

An observation of me completing this has been uploaded to Tapestry.

**CLIFFORD BRIDGE ACADEMY**

**My Next Steps Target Card**

**My Next Steps Target is:** To recognise some 2D shapes (square, circle, rectangle, triangle, star and heart).

triangle	circle
square	rectangle

**You can help me achieve this by:** Pointing out different shapes in the environment and talking to me about shapes around our home. Helping me to draw big shapes in the air with my magic finger. Showing me pictures of what shapes look like and talking to me about them.

An observation of me completing this has been uploaded to Tapestry.
