

Thursday 9th May 2019

Dear Parents/Carers,

**Re: SOLO Information Session**

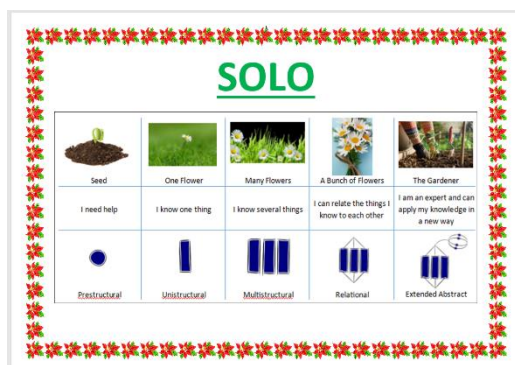

You are invited to attend an information session on **Thursday 16th May 2019 at 9:00am to 9:30am in the Jubilee Hall** about SOLO and how we use it here at West Acton.

The aim of the session is to give you as much information as possible about what SOLO is and how the children use it to develop their own learning.

We look forward to seeing you there.

Yours faithfully,

Mrs Livingstone  
Visible Learning and SOLO Lead

Seed I need help	One flower I know one thing	Many flowers I know several things	Bunch of flowers I can relate the things I know to each other	Gardener I am an expert and can apply my knowledge in a new way
Learning outcomes show unconnected information and no organisation	Learning outcomes show simple connections but importance is not noted.	Learning outcomes show connections are made but significance to overall meaning is missing.	Learning outcomes show connections are made and parts are synthesised with the overall meaning.	Learning outcomes go beyond the subject and make links to other concepts – generalising, predicting, evaluating.
Prestructural	Unistructural	Multistructural	Relational	Extended Abstract
