## Headline

As mentioned previously we have some exciting parent learning opportunities coming up this term ...

On **Monday 13th May** we are excited to offer the chance for you to meet 'Tribe Within' to showcase their family resources. This will be a **FREE** event and will give you the chance to try out their on-line resources which focus on spending time with your children. **I'M A PARENT- GET ME OUTTA HERE!**

Join us for a Mental Health and Personal Development Session What if you could work out what's going on in your child's brain so you could communicate better, calm them down, motivate them and help them become the best version of themselves? What if through the process of them growing, you could too? Because let's just face it, they aren't the only ones who need help!

Join us for a short taster session hosted by Sarah Appleby, co-founder of Tribe Within, an innovative social enterprise that provides mental health and personal development for families. Sarah is also a mum-of-three and thus shares insight from a wealth of experience! Sarah will reveal WHY a child's mind is SO different from an adult's and HOW to tune in to it so you can create breakthroughs in your home and relationships! She will share a unique "language" that you can adopt in your home - making communication between your family members easy, loving and helpful!

PLUS she will give you a taster of Tribe Within's highly acclaimed kid's course "Tribe Me." Sarah will facilitate a powerful session that looks into your own thoughts & beliefs to break through what limits you, and build up what drives you towards your personal goals.

**WHERE:** School Hall

**WHEN:** Monday 13th May @ 2:30pm For more information on Tribe Within please visit their website <https://tribewithin.co.uk/> or follow them

On **Monday 20th May** Mrs Marie will hold a PSHE demonstration lesson using the new Relationship and Sex Education resources provided by Medway Public Health Team and the National PSHE Association.

This follows on from our information session earlier this year and will give parents the chance to observe a lesson taught to LKS2 pupils on puberty, and another chance to speak to Sofie Wheeldon from the Public Health team. Please let the office know if you would like to attend.

Offer classes for children aged 4-7 on Saturday mornings at Brompton Academy from 09.45-11.00. It helps with confidence, social skills, imagination, coordination and creativity. For older children aged 8-18 it is from 10.00 - 13.00 also at Brompton Academy. For more information, please call 0800 058 2521 or 07946 890614

### Headlice

Please be vigilant and check your child's hair regularly. Although this is a common issue in all schools, it is frustrating and can be upsetting. Wet combing is one of the most effective headlice treatments. It can be used without medicated lotions, but needs to be done regularly and can take a long time to do thoroughly.
