

Term 5 Plan for Year Six - April 2019

Maths

- Solve problems involving the relative sizes of two quantities where missing values can be found by using integer multiplication and division facts
- Solve problems involving the calculation of percentages [for example, of measures, and such as 15% of 360] and the use of percentages for comparison
- Solve problems involving similar shapes where the scale factor is known or can be found.
- Solve problems involving unequal sharing and grouping using knowledge of fractions and multiples.

Art / Design Technology

- Children will improve their mastery of art and design techniques using a range of different materials including clay.

RE

- Children will consider the question: 'What did Jesus do to save human beings?'

SATs Week

Monday 13th May -
Thursday 16th May.

WOW Day
Viking visitor.

P.E

- Cricket
- Rounders

History

Children will:

- Learn about Britain's settlement by Anglo-Saxons and Scots and the Viking and Anglo-Saxon struggle for the Kingdom of England to the time of Edward the Confessor.

Horrible History

English

Children will learn to understand what they read by:

- Continuing to read and discuss an increasingly wide range of fiction, poetry, plays, non-fiction and reference books or textbooks

Draft and write by:

- Selecting appropriate grammar and vocabulary, understanding how such choices can change and enhance meaning.
- Writing for a range of purposes and audiences.

Science

Children will learn to:

- Identify the effects of air resistance, water resistance and friction.
- planning different types of scientific enquiries to answer questions, including recognising and controlling variables where necessary.
- recording data and results of increasing complexity using scientific diagrams and labels, classification keys, tables, scatter graphs, bar and line graphs.
