### Year 6 SATs

We would like to wish all of our Year 6 children good luck in their SATs tests next week - they are only one measure of how amazing they are. Spelling and Grammar tests will take place on Monday, Reading will take place on Tuesday and Maths will take place on Wednesday and Thursday. We welcome children into school from 8.10am every day of the tests for toast and a drink before revision begins at 8.30am. All children need to be in school and settled as early as possible to ensure they are calm and fully prepared. Good luck Year 6!

### Uniform

If you may be thinking about buying new uniform ready for September, can we please ask that any orders be submitted to school *no later than Friday 28<sup>th</sup> June. Any orders after this date risk not being delivered before we break up for the summer holidays.* You can now order direct with Touchline Embroidery and pay by debit card, you can have your uniform delivered to school free of charge or pay the postage to have it delivered direct to your home. Please remember that we have 1 of each size in the office for sizing purposes if you are unsure which size to order.

### School Carpark

Governors have made the decision to make permanent the closure of the private staff car park to parents/disabled parking between the hours of 8am and 4pm. The decision has not been made lightly and is due to health & safety as the safety of our children is of the utmost importance. *If you are a blue badge holder can you please contact the school office to discuss the alternative arrangements which can be put in place for dropping off and collecting your child(ren) at the beginning and end of the school day.*
