## Family Challenge

Continuing this year, we will be challenging our CVPS families to make even more happy memories. Each week there will be a family challenge set via social media. We would love you to share your experiences with us via twitter or maybe even adding some writing and drawings into your homework books. For every family that completes their challenge 2 house points will be rewarded!

See Twitter to keep updated with family challenges.

## Key Dates:

### Family breakfast

Friday 17<sup>th</sup> May RSE talk and Stonewall

Friday 24<sup>th</sup> May Careers Talk

### Trip to IMAX:

Beautiful Planet

Summer Two

Date TBC

### Update

Tasks will also be set on spelling shed that can be completed using individual logins. Pupils can now go on to maths shed aswell where related work will be set.

### Water Bottles and Sun Cream

Children should bring their water bottles full each morning in to school as the weather is becoming warmer. During the day, they will have opportunities to drink from their water bottles. Children should also bring their own sun cream with their name on which they can put on to keep safe in the sun.

## Year 5 Information Board

Welcome back from your class teacher Miss Radcliffe! I hope that you have had a fantastic Easter break and are eager to continue your learning for 2019!

I would like to take this opportunity to welcome our two new teaching assistants in Year 5, Miss Guy and Miss Bates.

The topic for this term is 'Beautiful Planet'. For this topic, we will be developing a variety of different skills, linked to this theme.

We will be continuing to develop our geographical skills through the development of locational knowledge through a study of Greece. Within this study, the children will delve into the Ancient Greek time period, locate where within the world as well as compare Greece in the past and present.

Year 5 will have opportunities to design and create throughout the term and have a real hands on approach to their learning.

### Homework:

Please can you help support the school by ensuring that your child completes all their set homework and hands it back into school on time. This will consist of spelling, maths and an expectation of reading three times weekly with this signed in their reading diary.

PE kits are required on a Tuesday. For PE children should have pumps, shorts and a house coloured PE top. Children should also have an outdoor kit available and both kits should be left in school at all times. On a Friday afternoons the children will be continuing with their First Aid training with Mr and Mrs Vigus.
