Dear Parents and Carers,

I hope you enjoyed the extra day without the school run this week! It certainly doesn't seem like we have only had a four day week - there has been so much going on!

On Wednesday, Sycamore class shared their learning with us during their class assembly. I was very impressed with how well the children talked about their learning and sang a cappella – even if it wasn't always planned that way! Well done Sycamore and thank you to Mrs Tomaselli and Miss Brazier. We always have such great support from our parents and carers and it is always a pleasure to have you in school. Next week it is the turn of Cherry class.

On Wednesday we also had our PTA meeting. The team are very proactive and passionate about raising money for our school. Thank you to everyone who has already offered their support at the school fete on Saturday 13<sup>th</sup> July. If you can donate any of your time to help, please do let Mrs Sweeney and the team know. Any time you can give will be greatly appreciated. Thank you in advance.

On Thursday Mrs Turner organised a science Challenge Day for some of our year 2 pupils. Two teachers from CCHS spent the day with us in school and had organised a range of activities to support the children's learning. It was a fantastic day and the children enjoyed every minute. Thank you so much to Mrs Turner for organising and also to the staff from CCHS for providing our children with this wonderful opportunity. We are looking to work alongside CCHS to hold further Science days for the children in the future so more children will be able to benefit from this exciting learning opportunity.

This morning our Year 1 children are visiting Clacton Fire Station as part of their 'Fabulous Finish' to their Superhero topic from last term. I am sure they will find the experience valuable and will take a lot from it. Our EYFS children will be saying a sad goodbye to our ducklings today. The children have enjoyed taking care of the ducklings and watching them grow up and change.

Next week we are having an assembly from the NSPCC – you should have already received a letter about this and where you can find more information. I will be attending coffee morning on Monday, so if you have anything you would like to talk to me about, please feel free to drop by. We have the rescheduled class photographs on Tuesday morning, Cherry class assembly on Wednesday and our Multicoloured non-uniform day on Friday raising money for Cancer Research Relay for Life. Lots to look forward to!

Have a great weekend.

Miss Siggery
