In the morning the children will be taking part in outdoor activities to improve confidence, self-esteem and communication and to learn about the natural environment.

This weekend you could try the 50 things app and look at activity #28 The Wheels on the Bus

Travelling on different forms of transport is really exciting for young children, top deck of a bus, catching a train and watching the scenery as you pass through, or a slow canal barge up one of Bradford's canals from Skipton or Saltaire.
